Client Details

Name: Jacqueline East

Company Name: ATC Vision College

Contact Number: 027 777 888

Email: jacqualine.east@visioncollege.ac.nz

Project Scope

Website Purpose

The purpose of this website is to provide Students, Tutors and Potential Employers with a platform that will assist with finding course information, submitting coursework, marking coursework and finding capable students for employment.

Target Audience

The target audience for this website is ATC Vision College students and tutors and also community members looking to employ a student.

Organisation Goals

The goal of this website is to help courses run smoothly by having an efficient and easy to use student portal. Coursework and grades will be clearer and more available, which can help students stay inspired. Another goal is to match employers up with students to create more job opportunities for students.

Features

- Multiple Account Privilege Levels.
- Secure Pages.
- Assignment Submissions and Grading.
- Student Information Requests.
- Interactive Marking Rubric.
- Show/Hide Side Navigation.

Visual Planning

Colour Palette

This colour palette consists of the two Vision College blues and includes an in between blue for hierarchy with the extremes, white and black for contrast.

Page Planning

Landing Page

Purpose: Logging in and creating accounts.

Content: Log in form. Create account form.

Assignment Page

Purpose: Supply all information about each assignment.

Content: Information about the assignment. Links to results. Links to download assignment documents. Link to submit an assignment.

Student Bio Page

Purpose: Supply information about a student, mainly for a potential employer.

Content: Student basic information, skills, projects, work experience. Request a students mobile or email. Shows if the student is accepting work or not.

Module Page

Purpose: Show all information about a specific module.

Content: Module information. Which assignments the module includes.

Student Projects Page

Purpose: Showcase student work to potential employers.

Content: Thumbnails of each project along with a link to the live websites and names of who worked on the project.

Interactive Marking Rubric

Purpose: An easy way for tutors to mark assignments. Point and click on a score in the rubric, the calculations are done for them.

Content: Interactive rubric and other tables to show totals and grades.

Task Time List

	Weeks				
Tasks	1	2	3	4	Hours
Initial Documentation					15
Client Approval of Proposal					1
Database Creation					3
Create Templates					2
Navigation/Headers					4

Pricing

Hourly Price: \$40

Total Time: 118 hours

Total Price: \$40 * 118 hours = \$4720

This website is part of an assignment, therefore there will be no billing or payments taking place.

Page Layouts

Landing Page

The image is a wireframe of a web browser window displaying a landing page for the 'Vision College Student Portal'. The browser window has a title bar with three small circles on the left and a search bar on the right. The main content area of the page features a logo on the top left, which is a square with an 'X' inside. To the right of the logo is the page title 'Vision College Student Portal' in a large, bold, sans-serif font. Below the title, there are two main sections: 'Login' and 'Community Register'. The 'Login' section is a rounded rectangle containing two input fields: the first is labeled 'Username/Email' and the second is labeled 'Password'. Below these fields is a rounded button labeled 'Log In'. The 'Community Register' section is also a rounded rectangle and contains five input fields stacked vertically: 'Email', 'Password', 'Confirm Password', 'First Name', and 'Last Name'. Below the 'Last Name' field is a sixth input field labeled 'Company'. At the bottom of this section is a rounded button labeled 'Create Account'.
